विद्यार्थी का नाम/Name of the student: _____

अनुक्रमांक /Roll No. _____ कक्षा/अनुभाग Class /Sec.: _____ दिनांक /Date: _____

SECTION-A (READING)

I) Read the passage and answer the questions: (5 Marks)

Once upon a time, there was a tiny seed lying on the ground. The seed dreamed of becoming a tall tree someday. Every day, it watched as birds flew overhead and animals played in the shade of big trees.

One rainy day, water soaked into the ground, reaching the seed. The seed felt happy and started to sprout. Slowly, it pushed through the soil and opened its tiny leaves to greet the sun. As time passed, it grew taller and stronger.

Eventually, the little seed became a magnificent tree, providing shade for animals and shelter for birds. It realised that with patience and care, dreams could come true.

Answer the following questions:

- a) What did the little seed dream of becoming?
 (i) Bamboo (ii) a tall tree (iii) big fruit (iv) big flower
- b) What helped the seed start to sprout?
 (i) tube well (ii) tap water (iii) rainwater (iv) ground water
- c) What did the seed do after it sprouted?
 (i) greeted sun (ii) bear fruit (iii) started moving (iv) died
- d) What did the little seed eventually become?
 (i) big flower (ii) big animal (iii) big bird (iv) big tree
- e) What is required to make our dreams come true?
 (i) talking (ii) patience (iii) running (iv) sleeping

II) Read the passage and answer the questions: (5 Marks)

Traffic lights are installed on very busy roads to regulate movement. Wait for the pedestrian signal to turn green before crossing. Never run across the road. It's safer to walk calmly!

Footpaths are meant for pedestrians. Always walk on them and stay away from moving vehicles.

Do not play or get distracted near roads. Also, avoid using headphones or mobile phones while walking near traffic. These can distract you from traffic sounds.

Answer the following questions

a) Why are traffic lights installed?

b) For who are the footpaths meant?

c) What should you avoid while crossing the road?

d) Where should you walk on the road?

e) Write **true** or **false** against each statement
